

Shalom y'all,

As Jews in the south we all know what it means to feel alone, which makes connecting with each other and building networks of support that much more important. It is my goal to make sure that none of us feel alone. The fact is that without you there is no NFTY-SO. That is why

I, Belle Adelman-Cannon, am running for 2022-2023 Membership Vice President.

Maybe you are unsure about what the Membership Vice President does or why I would be good at it? It is the Membership Vice President's job is to ensure that Jewish teens are included, engaged, and supported through NFTY-SO.

So why me? First and foremost, I am an active member of the community and I am willing to take on the responsibility. Second, I am creative and hardworking. Third, I love to talk to people. As many of you know, I have grown up speaking two languages. This helps me to connect with people easily and speak freely. As a language student (now working on mastering German), you have to be willing to take risks in communication. This helps me to be willing and able to reach out to new people and under a variety of circumstances.

Living an authentic life is very important to me as a genderfluid Jewish teen. I want everyone to be themselves and know they have a place in NFTY-SO.
